

PHI BETA SIGMA FRATERNITY, INCORPORATED  
LAMBDA DELTA SIGM CHAPTER  
SIGMA BETA CLUB

Greetings,

The Lambda Delta Sigma Chapter of Phi Beta Sigma Fraternity, Incorporated is ecstatic to invite your child to join a long legacy of excellence through our Sigma Beta Club. The Sigma Beta Club is a unique and dynamic experience where men of Phi Beta Sigma Fraternity, Inc assist the youth in developing wholesome values, leadership skills, and social and cultural awareness during the most critical stage in their personal development. Sigma Beta Clubs provide gravely needed services to youths in communities served by chapters of Phi Beta Sigma Fraternity, Inc.

Phi Beta Sigma Fraternity, Inc was found on January 9, 1914 on the campus of Howard University under the ideals of Brotherhood, Scholarship, and Service. The distinguished founding fathers, Honorable Abram L Taylor, Honorable Leonard F Morse, and Honorable Charles I Brown, founded the fraternity in order to create an organization that viewed itself as “a part of” the general community rather than “apart from” the general community. They desired for their fraternity to exist as part of an even greater brotherhood which would be devoted to the “inclusive we” rather than the “exclusive we.” Today, Phi Beta Sigma has blossomed into an international organization of leaders. Men of Sigma continue to serve the community through national programs such as Bigger & Better Business, Social Action, Education, and Sigma Beta Clubs. Through your child’s participation in the Sigma Beta Club, they will be a part of the rich history created to positively impact our community.

We earnestly believe that through this mentorship experience, your child will further propel their trajectory towards success. As a initiate of the Sigma Beta Club, your child will participate in a number of events including virtual college tours, refining skills that young men need such as tying a tie, public speaking, and etc. All activities will be funded by the chapter and will be free of charge for each student. We ask that you review the materials that are included in this packet. We will review all documents during our orientation.

We will host a welcome virtual meeting/orientation on Wednesday, October 14, 2020 at 6:30pm via Zoom. You can access the meeting by using the following meeting information.
